

§ 5.204 Experimental report.

(a) Unless specifically stated as a condition of the authorization, licensees are not required to file a report on the results of the experimental program carried on under this subpart.

(b) The Commission may, as a condition of authorization, request the licensee to forward periodic reports in order to evaluate the progress of the experimental program.

(c) An applicant may request that the commission withhold from the public certain reports and associated material and the Commission will withhold the same unless the public interest requires otherwise.

§ 5.205 Frequencies for field strength surveys or equipment demonstrations.

(a) Authorizations issued under § 5.202 (e) and (f) will normally not have specific frequencies designated in a station license. Prior to the commencement of a survey or demonstration, the licensee will request a specific frequency assignment and submit the following information:

- (1) Time, date and duration of survey.
- (2) Frequency to be used.
- (3) Location of transmitter and geographical area to be covered.
- (4) Purpose of survey.
- (5) Method and equipment to be used.
- (6) Names and addresses of persons for whom the survey is conducted.

(b) Upon receipt of authority from the Commission to conduct a particular survey, the licensee shall furnish the Engineer-in-Charge of the radio district in which the survey is to be conducted, sufficiently in advance to assure receipt before commencement thereof, the following information: Time, date, duration, frequency, location of transmitter, area to be covered, and purpose of survey.

should, to the extent practicable, use frequencies in the bands 40.66–40.70 MHz or 216–220 MHz, in accordance with footnote US210 to the Table of Frequency Allocations, § 2.106 of this chapter. Transmitters to be used in these bands for this purpose shall comply with the requirements set forth in § 5.108 of this part.

§ 5.206 Limited market studies.

Unless otherwise stated in the instrument of authorization, licenses granted for the purpose of limited market studies pursuant to § 5.202(j) are subject to the following conditions:

(a) All transmitting and/or receiving equipment used in the study shall be owned by the licensee.

(b) The licensee is responsible for informing anyone participating in the experiment that the service or device is granted under an experimental authorization and is strictly temporary.

(c) The size and scope of the market study may be subject to limitations on a case-by-case basis as the Commission shall determine.

Subparts F–G [Reserved]

Subpart H—Student Authorizations

§ 5.401 Eligibility for license.

The Commission may issue an authorization under this subpart to students for the purpose of presenting experiments or technical demonstrations for school or school approved projects which require the use of radio for a limited period of time. Such authorizations may, in the discretion of the Commission, be granted to students of seventh grade or higher level.

§ 5.402 Filing of applications.

(a) Notwithstanding the requirements in subpart B of this part, an application for a student authorization may be filed in letter form, in duplicate, with the original signed. The application shall contain the information set forth in paragraph (b) of this section.

(b) The application shall contain the following information:

- (1) Name and address of applicant.
- (2) A statement that the applicant is a citizen of the United States.
- (3) Applicant's school and grade.
- (4) A detailed description in narrative form of the project including the type and purpose of operation.
- (5) Place of operation—street address, name of building, or other specific location.
- (6) Date(s) of operation including the exact hours, when known, as well as
